Dr. Roger

Roger W. Haas, D.D.S., M.S., Orthodontist

Born and raised in the Akron area, Dr. Roger graduated from Walsh Jesuit High School (class of 1971) and pursued his undergraduate training at Kent State University from 1971 to 1974. He earned early admission to the Ohio State University dental school and received his D.D.S. degree in 1977. He completed his specialty training at the University of Illinois in Chicago and earned his Masters Degree in Orthodontics in 1980.

Dr. Roger is a member of the Akron Dental Society, the Ohio Dental Association, the American Dental Association, the Cleveland Society of Orthodontists, the Ohio Association of Orthodontists and the American Association of Orthodontists. In addition, he has been a member of the Akron Craniofacial Clinic staff since 1979.

Dr. Roger notes, "The most rewarding thing about orthodontics is watching the positive change it can make in a person's life. Before orthodontic treatment, many of our patients are embarrassed to smile because of the appearance of their teeth. It is amazing to see the dramatic difference it makes when people are free to smile without fear."

Married to Bonnie for over 30 years, the couple has three children – Megan, Daniel and Kevin. Dr. Roger's outside interests include traveling, skiing, woodworking, and gardening.

Dr. Mark

Mark F. Haas, D.D.S., Orthodontist

Although he was born in Greenville, South Carolina while his parents were stationed at the Fort Donaldson Air Force Base, Dr. Mark spent most of his life in the Akron area. He attended St. Vincent and then Holy Family grade schools, soon graduating from Walsh Jesuit High School (class of 1973). He attended the University of Akron and Kent State University before moving to Chicago to finish his undergraduate studies at Loyola University Lake Shore Campus. Dr. Mark completed his graduate and post-graduate studies at Loyola University Maywood Campus, achieving his D.D.S. degree in 1983 and orthodontic certification in 1985.

Dr. Mark is a member of the Akron Dental Society, the Ohio Dental Association, the American Dental Association, the Cleveland Society of Orthodontists, the Ohio

Association of Orthodontists, and the American Association of Orthodontists.

Married to Maureen for over 20 years, the couple has three children – Analee, Dieter and Rupert. Dr. Mark is a dedicated family man and enjoys spending much of his non-working time with his family. His outside interests include golf, skiing, and traveling.

Dr. Eric

Eric J. Haas, D.D.S., Orthodontist

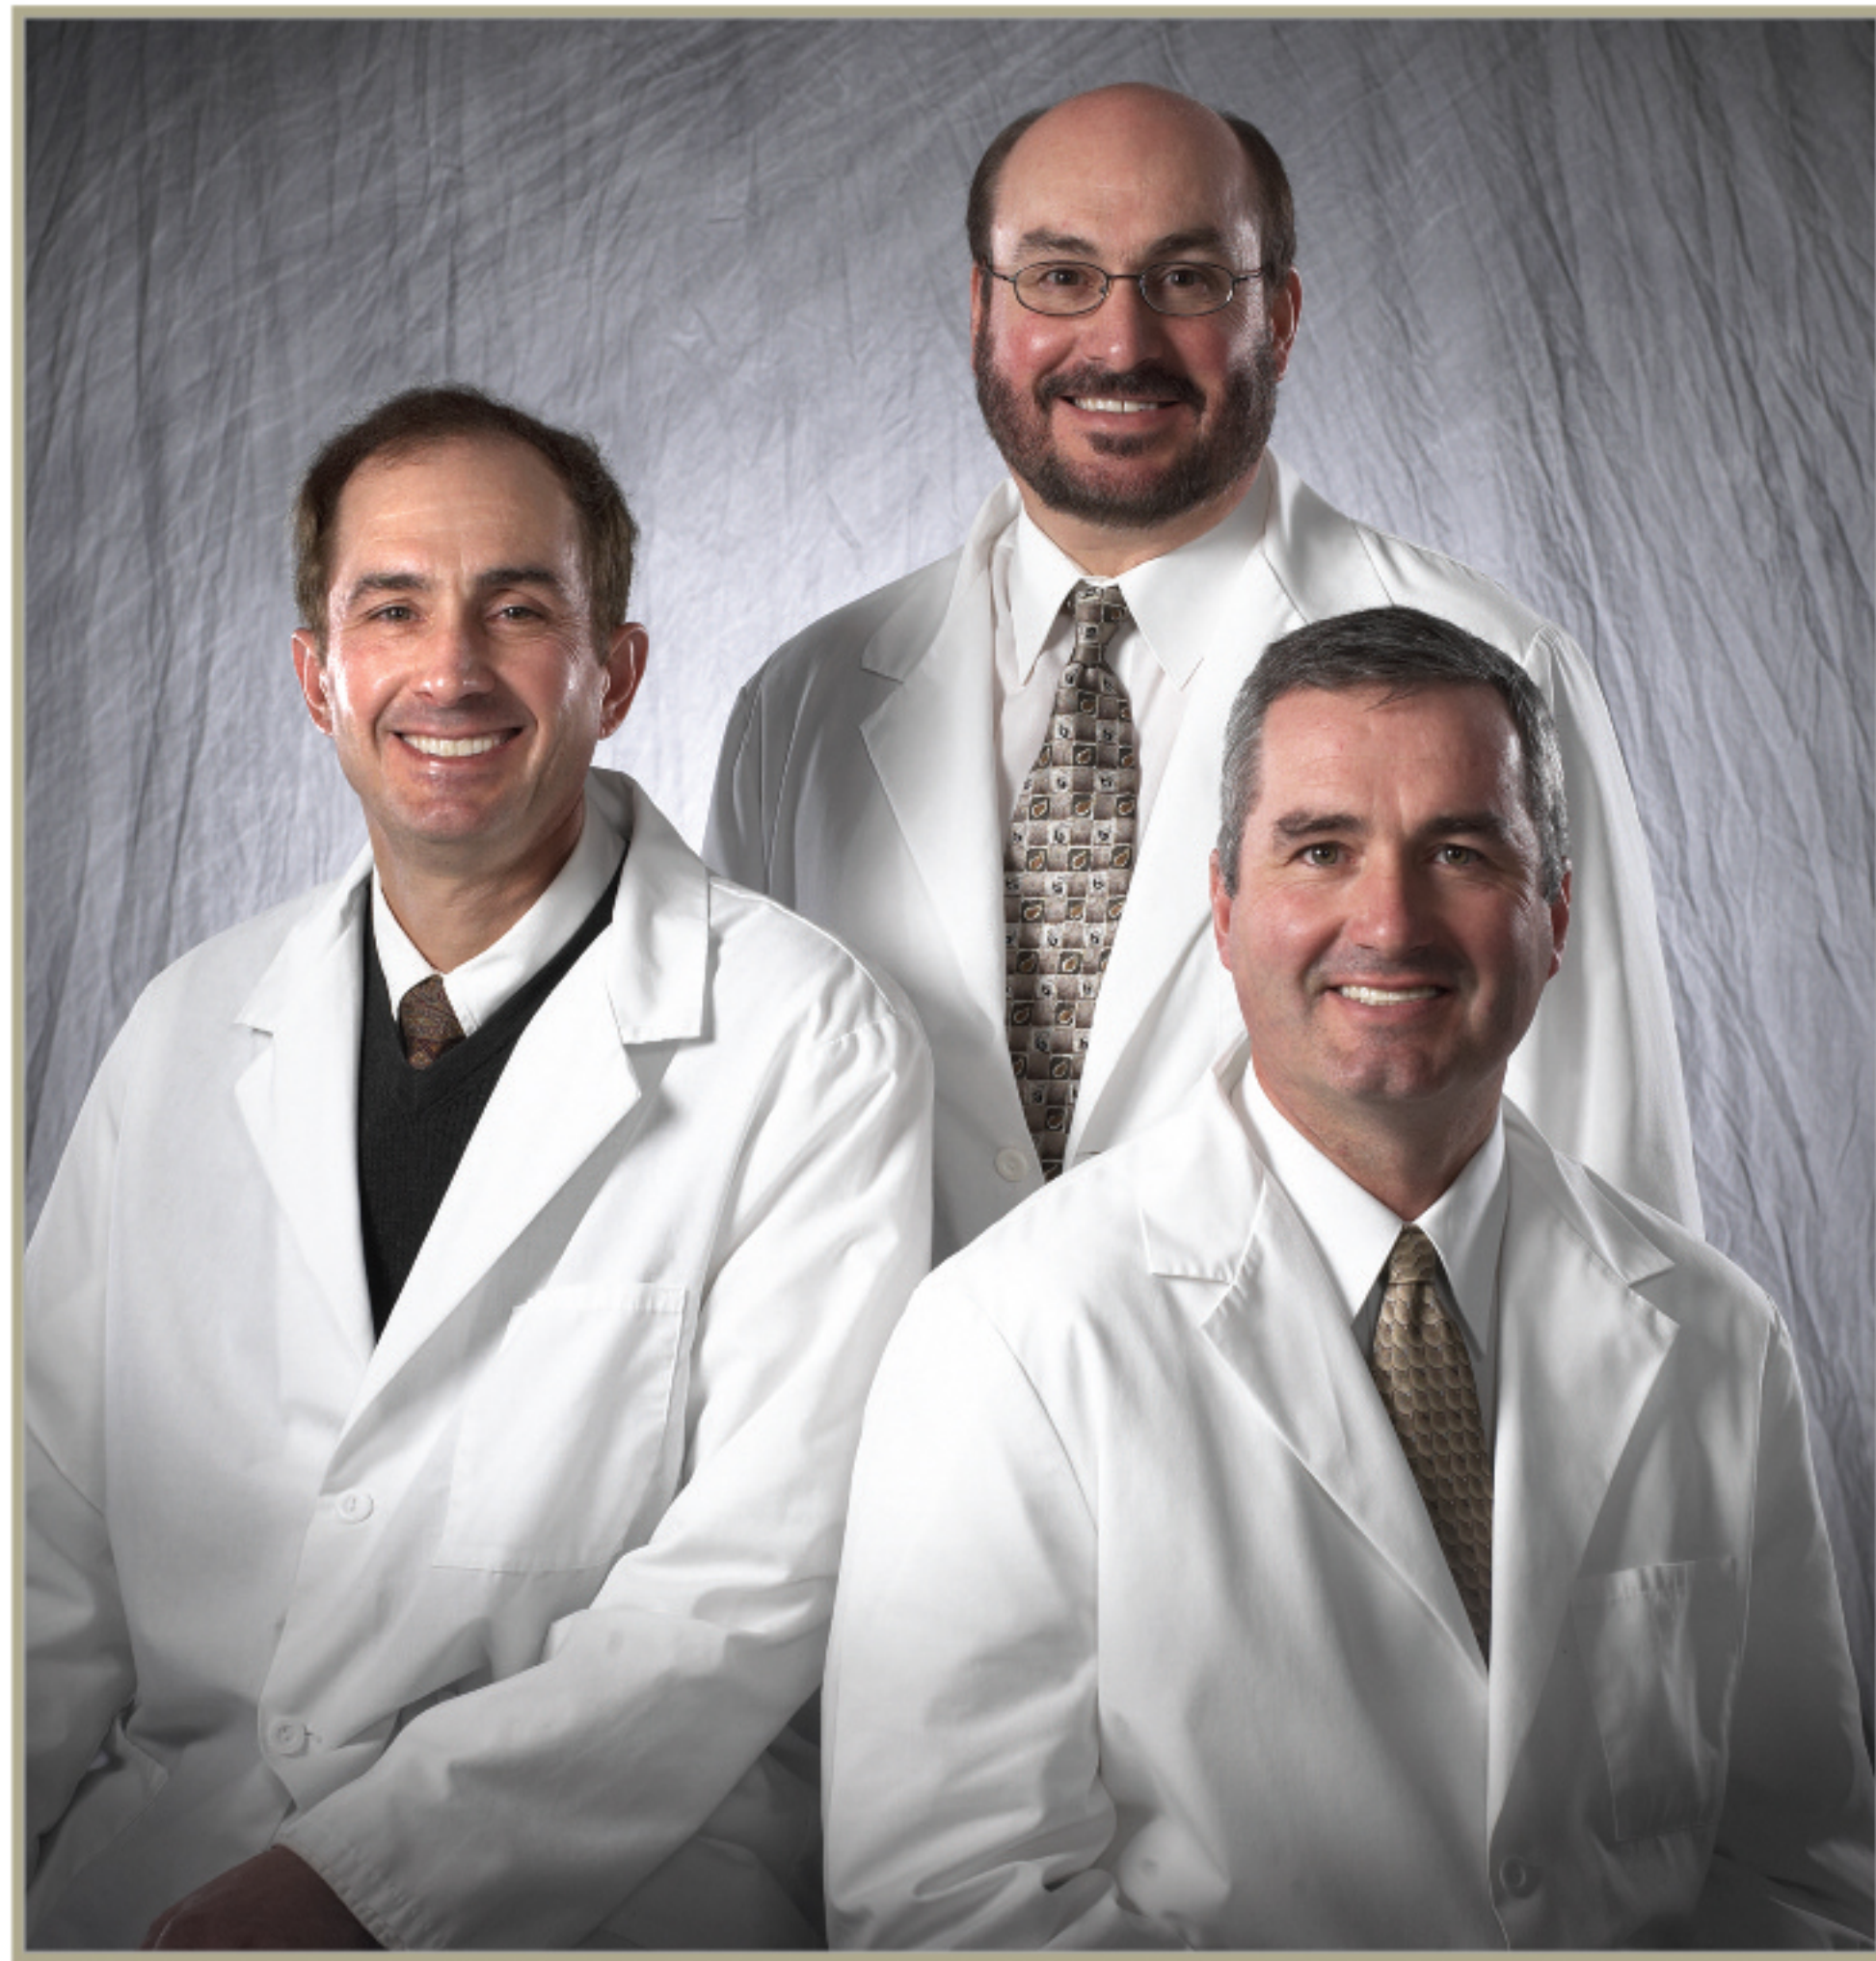

Dr. Eric was born and has lived in the Akron area his entire life. After graduating from Walsh Jesuit High School (class of 1980), he spent his college years earning a Bachelor of Science degree from Loyola University of Chicago. Dr. Eric completed his dentistry studies at the Ohio State University in 1989 and his postgraduate studies in orthodontics at Loyola University of Chicago in 1991. He then returned to Akron to join his family's orthodontic practice.

"One of the joys in my life is having the opportunity to practice orthodontics with my family. Collectively, the eighty-plus years of experience among my father and brothers was a valuable asset in furthering my education," Dr. Eric explains. "One commonality among our patients that I quickly appreciated was the stability of results years after all braces and retainers are removed. It is a wonderful tribute

to my father and brothers to be able to pick a 'Haas Smile' out of a crowd."

Dr. Eric resides in Stow with his wife, Annabelle, and their four children. His outside interests include raising his family, cooking, and outdoor pursuits.

Our mission is to make a difference by creating customized smiles that our patients can be proud of for the rest of their lives.

We accomplish our mission by applying 400 years of combined experience in world-renowned techniques of orthodontics, by taking pride in discovering and developing the uniqueness of each and every patient, by believing in the skill and dependability of our team, and by never taking shortcuts.

It is our hope that by staying loyal to each other and our patients, we will continue to know the pride and excitement, the laughter and security, and the self-satisfaction that comes from spending every day amazed by the joy that we bring to every life we touch.
